The NMC Advantage

Sign Muscle™ is a revolutionary permanent coating that protects your signs against chemicals, graffiti, harsh environments, UV-Rays and fading, scratches and scuffs, water and mold. This coating enhances color and clarity, provides durability and a lasting message guaranteed for the life of your sign!

Sign Muscle Protects Against

Harsh Environments

- Stops fading from UV rays
- Prevents cracking from temperature change

Graffiti

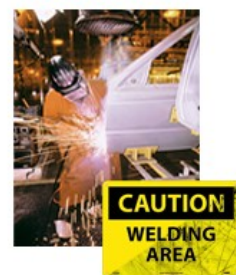

- Comes clean after vandalism
- Brings your sign back to life

Chemicals

- Protects from damaging fumes and chemicals

Scratches

- Resists damage from scratching or abrasion
